

Our company was established June 1, 1987 as the Philippine economy began its ascent after the EDSA I revolution. From a home-office with a 3 man operation, DAO Realty grew forth along the years continually upgrading its staff, systems, facilities enabling it to strengthen relationships with valued clients and partners. Our first client was the Marubeni Corporation, and since then, we have developed a long-standing relationship with large multinationals that value our full-time personalized service, and our dedication to work at par with International standards.

Today, we are equipped with an 18 full-time personnel, solely engaged in:

- Collecting and updating over 15,000 listings
- Attending to repairs and requests
- Servicing over 500 clients scattered throughout Ayala Business District, Rockwell Center, Fort Bonifacio, Ortigas Center including the cities of Alabang and Sta Rosa, Laguna.
